Dear Student,

I hope this email finds you in good spirits and thriving in your academic pursuits at Portage College continuing education program at CIOT Calgary.

I am reaching out to address recent news regarding changes in the Post-Graduation Work Permit (PGWP) eligibility for students studying at (PPPs). We understand that such news can be unsettling, and we want to assure you that, as a current student at our institution, there is no impact on your eligibility.

After a thorough review, we have confirmed that the changes announced will only affect students who commence their studies after September 1, 2024. This news has absolutely no impact on the ability and eligibility of all our current students and those who would start their studies anytime before September 1, 2024.

Our institution remains committed to providing the necessary support and information to ensure your continued success. We recognize the importance of the PGWP program, and we want to emphasize that you can pursue your academic journey with confidence, knowing that your eligibility for the program remains intact.

If you have any specific concerns or questions about your situation, please do not hesitate to reach out to me. I am here to assist you and provide any additional clarification you may need.

We appreciate your commitment to your education, and we are dedicated to ensuring a positive and successful academic experience for all our students.

Thank you for your trust in Portage College programs at CIOT Calgary. We look forward to supporting you on your academic journey.

Thank you.
